On June 16, 2025, the undersigned was notified by a mental health clinician at Pioneer Human Resources (PHS) that Mr. Wood reported for his mental health assessment. Due to his concerning behavior and appearing to be under the influence, his mental health assessment was cut short. He was instructed to report to the United States Probation Office.

Mr. Wood reported to the United States Probation Office. A United States Probation Officer observed Mr. Wood's behavior to be odd and he seemed to be under the influence. He was questioned if he had used any controlled substances. Mr. Wood advised he used methamphetamine on Saturday, June 14, 2025, and signed an admission form. He was subsequently arrested by the U.S. Marshals on the outstanding federal warrant.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
